PHOENIX, Ariz. – (March 8, 2010) – GET Phoenix Young Professionals, a program of the Scottsdale Area Chamber of Commerce, will host its next networking and development series, Thursday, March 18 with a speaker presentation from motivating author, Brett Farmiloe.

Hear an inspiring story from Farmiloe, author of “Pursue Your Passion.” He will talk about his journey of interviewing hundreds of people in a series of cross country road trips and how he found passion in his work. After traveling 16,000 miles and interviewing over 300 people, he will offer insight that will give young professionals a leading edge in developing passion into a profession.

“This doesn’t happen overnight. It takes time, effort and passion to stick with it. You have to perfect your approach and keep pursuing what you want. The average overnight success takes 17 years,” said Farmiloe.

Join Farmiloe with GET Phoenix Young Professionals and get motivated about developing your dreams into reality. The networking and development series will take place Thursday, March 18 from 5:30 – 7:30 p.m. at Doubletree Paradise Valley Resort Scottsdale – 5401 N. Scottsdale Rd.

While at the professional development event, be sure to register for our April 13 Sun’s event to celebrate GET Phoenix’s second anniversary.
